

Announcing a New Program -

Supportive Housing for Lesbian, Gay, Bisexual, and Transgender Young Adults

We are opening the doors on our first unit of supportive housing serving homeless, 18 to 25 year old, substance abusing LGBT young adults who are committed to learning how to live life without the use of drugs and alcohol. Special emphasis will be placed on those individuals living with HIV or AIDS, or who may be suffering from mental illness.

OUR MISSION

is to transform lives by offering hope and opportunities for recovery, wellness, and independence.

What Does This Program Include?
